

PREVIA

Just as fine gems gain greater value with honing and polishing, Previa has benefited from the attention of Toyota's designers and engineers. The renowned DNA of Previa is clearly evident in this all-new model.

When it was originally conceived, customers worldwide quickly recognised the benefits of a vehicle designed as a people carrier. Like earlier versions this new Previa uses front wheel drive and a long wheelbase to create an interior that can easily accommodate 8 people.

Previas sweeping, sculpted lines show you that larger families and groups wanting a multi-purpose vehicle don't have to compromise on style. Previa unashamedly sets itself apart as the multi-purpose vehicle with more 'feel good' qualities than any other, elevating standards for style, performance and comfort.

A commanding driving position, great visibility and ergonomically designed driver controls combine to deliver a great driving experience. Whether you travel on long journeys or take short urban trips there is all-round comfort thanks to the generous space, upright seating positions and superb visibility. The centre console and dash mounted gear selector are smart designs that leave a clear floor enabling easy access between the front seats.

Previas spirited performance comes from the intelligent 2.4 litre engine that uses variable valve timing technology (VVT-i). This optimises intake valve timing to improve power and economy and reduce emissions. Previa's four-speed electronically controlled automatic transmission (ECT) is also intelligent, making driving even more pleasurable with almost seamless shifting characteristics.

A host of advanced new safety features make this new Previa the safest yet. Driver and passenger front airbags, front seat belts with pre-tensioners and force limiters, a collapsible steering column and child proof rear door locks all help on the inside. Assisting the driver is an anti-lock braking system (ABS) with electronic brake-force distribution (EBD) and brake assist (BA).

Every Previa receives support and service that is second to none. Your new Toyota comes with the protection of a 3 years or 100,000 kilometres* New Vehicle Warranty with the option of upgrading to our Platinum Warranty giving you protection of 5 years or 150,000 kilometres*. No Worries Service Plans are also available. Talk to your Authorised Toyota Dealer and arrange a test drive.

*whichever occurs first under normal operating conditions

Park new Previa outside your home or business and there'll plenty of envious glances.

The optional Executive pack adds stylish 17" alloy wheels, roof rails plus front and rear parking sensors.

Continuing the theme of elegantly crafted simplicity the dash layout positions all important controls where hand or eye needs them to be. A dash mounted gear lever ensures a clear floor between front seats which allows easy passenger movement and maximises storage space. Front climate control air conditioning and rear passenger controlled cooler allows unique climates throughout the cabin.

The front row seats offer a commanding view over the elegant dash.

The slide and recline 2nd row seats give easy access to the 3rd row.

The audio system features AM/FM radio and a single disc in-dash MP3/WMA CD player. Sound can be controlled from the dash or by the driver from steering wheel controls.

In many family cars if you take the push chair then baby stays at home. Previa's generous cargo space and hugely adaptable interior will accommodate all your needs.

TOYOTA PREVIA SPECIFICATIONS

MECHANICAL FEATURES

The 2.4 litre 2AZ-FE petrol engine is a 4 cylinder in-line 16 valve double overhead cam design with VVT-i (Variable Valve Timing-intelligent). Maximum power of 125kW is produced @ 6000rpm and maximum torque is 224Nm @ 4000rpm. Electronic fuel injection system.

91 octane petrol is acceptable. Fuel tank capacity is 65 litres.

Battery capacity is 12 Volts; Alternator is 150 Amps; Starter output is 1.6kW.

4 speed electronically controlled automatic transmission (ECT) with sequential manual mode and lock-up torque converter.

Front suspension has MacPherson struts, gas filled hydraulic shock absorbers and stabiliser bar. Rear suspension is torsion beam type with coil springs and stabiliser bar.

Steering is engine speed sensitive power-assisted rack and pinion. Minimum turning circle is 11.4 metres with 3.3 turns lock to lock.

Braking is by power-assisted ventilated front and solid rear disc brakes with tandem master cylinder and dual circuit split hydraulic system.

Anti-lock braking system (ABS) with electronic brake-force distribution (EBD) and brake assist (BA).

Pedal type mechanical parking brake.

Steel wheels are 6.5J x 16" fitted with 205/65 R16 steel belted radial ply tyres with full wheel covers.

SAFETY FEATURES

Driver and passenger front airbags.

Side door impact bars.

Child proof rear door locks.

Child restraint system with 3 tether points and 2 ISO fixing points.

Adjustable front seat belt anchors.

2x3-point ELR front seat belts with pre-tensioners and force limiters.

3x3-point ALR/ELR 2nd row seat belts.

3x3-point ELR 3rd row seat belts.

EXTERIOR FEATURES

Halogen headlights; front fog/driving lights.

Tinted laminated windscreen.

Left and right sliding side doors.

Body coloured bumpers and exterior door handles.

Front and rear air spats.

Radio antenna in rear window glass.

Rear spoiler with high stop light.

Body coloured electric exterior rear view mirrors with LED turn signal lights.

Side and rear green tinted glass with UV protection; water repellent front side glass.

INTERIOR FEATURES

Headlight control system with auto off; headlights-on reminder; manual headlight levelling; washer-linked variable intermittent wipers; door operated interior room light; door courtesy lights; door scuff plates; driver's seat height adjustment; tilt and telescopic steering; cruise control; driver's footrest; illuminated entry system; sunvisors with illuminated vanity mirrors; day/night interior rear view mirror; lockable glovebox; pollen filter; door pockets with bottle holders; front and rear cup holders; cigarette lighter; front and portable ashtrays; front and rear personal lights; dash light dimmer; digital clock; tachometer; gear shift position indicator on instrument panel; twin tripmeters; fuel level warning light; remote fuel lid release; driver and passenger seat belt warning light; door ajar warning; passenger assist grips; instrument panel storage compartments; front seat back pockets; rear coat hooks; rear accessory power outlet; luggage area light; luggage tie-down hooks; luggage area exterior door handle; rear demister; intermittent rear wiper.

Engine immobiliser; remote central door locking.

Dual tone interior trim with dark grey fabric seat material.

Individual driver and front passenger seats with fold-down armrests; 60/40 split folding 2nd row seats with slide and recline functions and fold-down armrests; 60/40 split folding 3rd row seats with recline and tumble functions.
